NSAA Newsletter - July, 2013

Well here's newsletter number two already. This will be brief as there is a bit of a rush to get this out to everyone in time for the next go round of state shoots. I just quickly want to say that we have a terrific bunch people in our Midwest group of archers with all kinds of great personalities making it an even more enjoyable sport. Thanks to everyone for letting me be a part of it!

So to begin:

Orion Archery has proudly demonstrated and held firm to their mission, “It’s all about the kids”! Eight years ago one of their own archery club kids, Brandon Tomcak, was killed in an auto accident. In collaboration with the Tomcak Family the Brandon Tomcak Memorial 3-D Shoot was created to introduce the love of the sport to other children as Orion Archery had done for Brandon.

The results have been outstanding! We have achieved our mission and continue to demonstrate it each year with the support of the archery community and many major sponsors. This event has opened the eyes of many to see that our children are the future of archery which has resulted in other archery clubs getting involved. We have also seen the expansion of the event to now include the Boys and Girl Scouts in the surrounding area as well as other clubs duplicating this event. All funds raised from this event have been reinvested back into the archery community.

Each year children ranging from 3 to 73 come to this event which is geared for the inexperienced shooter. Entire families arrive with the interest and passion of archery yet not knowing a thing. We provide guided instruction through the course as well as all the archery equipment needed. We have bows, arrows and quivers available for the smallest shooter all the way up to largest and in all colors, including pink! They are guided through the 20 animal courses and educated on the sport. Upon completion each child receives a medal for participating and we always hear them say,

“Dad, I want my own bow and arrow, can we go and buy one today?”

Over eight years the Brandon Tomcak Memorial 3-D Shoot in collaboration with Orion Archery has,

- Introduced 1355 (+) shooters to archery
- Raised over \$39,000
- Provided over \$20,000 in College Scholarship funds to High School graduates
- Supported the Ted Nugent Kamp for Kids with donations and sent over 70 children to the Kamp
- Most importantly they continue to focus on the mission, “It’s All About The Kids”.

Thank you for your continued support!

First law of Archery:

There is no such thing as a complete set of arrows.

Second law of Archery:

The more you practice, the luckier you are.

Third law of Archery:

Better archery is only one purchase away.

Fourth law of Archery:

The more you shoot, the more arrows you have to buy.

Overview of the upcoming State 900 Target Round

August 25, 2013 Grand Island, Ne

1. The target face will be a 122 cm multi-colored
2. A total of 90 arrows will be shot for score. 6 arrows per end. Total of 5 ends per distance. 5 minute time limit per end.
 - a. Cubs – 30 arrows at 30 yds – 30 arrows at 20 yds – 30 arrows at 10 yds
 - b. Youth – 30 arrows at 50 yds – 30 arrows at 40 yds – 30 arrows at 30 yds
 - c. Adults /young adults – 30 arrows at 60 yds – 30 arrows at 50 yds – 30 arrows at 40 yds
3. There shall be 2 practice ends before the first scoring end in the completion.
4. There shall be no practice permitted after a break or delay, unless such postponement exceeds forty-five (45) minutes. In such cases the amount of practice shall be one practice end at the present distance.
5. Equipment failures must be recognized by an official and a reasonable time will be allowed for repair. There will be no practice arrows after such repair.
6. A miss-shot arrow may be re-shot if the archer can touch the arrow with their bow without moving their feet at the shooting line.
7. An arrow shaft need only touch the scoring line to be counted in the next higher value.
8. An arrow that rebounds from the target or pass through shall be re-shot.
9. At least 3 archers will be assigned per bale.

WE had a great turnout for the State F/H/A in Lincoln on June 30th, with a total of 49 shooters. Let's see if we can break that number for the State 900 Round!

Hope to see you all there..

Secretary Notes July 2013

Hello all,

Well summer is about half over and we are 2 State shoots away from finishing our state calendar. I have included the State Overall results thus far and as long as everyone meets the requirements (shoots 4 state tournaments and at least 4 other of our member club shoots) they will be eligible for the state overall awards and reimbursement of half NFAA dues next year. If you see an "X" it means you shot it, no points but it counts as 1 of 4 (and/or your 4 others if you shoot all 7)

If you changed classes in JUNE (a lot did with senior and youth changes) you will see your early points went to an X. (lost points but you get credit for shooting) You still had an opportunity to finish 4 shoots in the NEW class.

Remember if you qualified last year, you need to renew your membership THIS YEAR with me, so I can pay half your dues. For families, we only reimburse for those who meet requirement. If you qualified you will see a ** by your name on the 2013 roster.

It came to my attention that the copy of the constitution on the web page was NOT the most recent update. Hopefully by the time you receive this; that has been changed. State Overall is your TOP 4 finishes (only required to shoot 4) for a maximum total of 20; and if there is a tie we go to the FIRST head to head and determine winner.

Our member clubs : (NFAA/NSAA) whose shoots count as OTHERS:
Ahamo, Full Draw, Norfolk, Prairie Bowman, Robinhood, Patte Valley, Third City, Golden Arrow, Lost Arrow Archery, Mid Nebraska Bowhunters, and Northeast Nebraska Archers.

Remember this is your newsletter and we encourage you to get involved and submit articles, info etc.

As a State Association we have a lot of resources as far as instructors with USA archery and NFAA. The list as of today includes Level 3 Coaches/Instructors; Erika Jones, Tom Saunders, Mark Eggers, Bill Arledge and myself, Deb Colgrove.

Level 2 instructors are Danny Wood, Mark and Chris Pengra (Iowa), Brian Jennings, Brad and Chris Johannesen, Jeff Allen and Kent Colgrove. I know of 2 others Gene Metschke and Todd Bouvia who are still pending some completion of documents.

It is crucial to our sport that we keep growing, teaching and encouraging new members to join. Plus as a bonus, I think we have a lot of fun despite being very competitive.

Be sure to see the change to a SHOTGUN start at 9 am for Norfolk State marked 3D in August. State Overall competitiveness has made the Board take a look at how we run our state shoots with the host clubs and you will see more of the shotgun starts so we can pair people with peer groups. We all like to shoot with our friends, husband, wife or child, but the State shoots are about the competition and will be run to support that.

As a reminder it is YOUR responsibility to keep your membership current, so renew as soon as you see the renewal slip. If not, you drop off my list as a member, which I supply to Darby for newsletters. Darby has also included a copy of the recognized classes...I do my best to make sure and help you out with that, but you need to know what class and where you shoot from for the State shoots and for State Overall.

Thanks,
Deb Colgrove

Minutes from Board meeting June 30th, 2013

Present: Matt Carmin, Deb Colgrove, Robert Gregg, Jim Tubbs and Kevin Byington. Not Present: Ed Christman, Tom Saunders and Darby Anderson.

Change Norfolk Marked 3D to shotgun start to be able to assign groups:
Unanimous vote- Matt will talk to the club

Work on a Constitution change and wording, so all State shoots have assigned groups and all 3D's one day (Sunday) so we can eliminate any question of cheating as State Overall continues to grow.
Unanimous vote to change

Reminder of State Overall in every newsletter

Take a look at points assigned in State Overall to create some spread and to encourage more participation. Discussion amongst board, Deb reported numbers are way up for participants and method last 3 years has seemed the fairest and really comes down to best archers head to head.

Discussion on working on some new medals to be able to offer again as an alternative to NFAA medals. Deb will work on and talk to Kathy Trail, state member who is in that business.

Meeting adjourned, all in favor
