# **NSAA Newsletter - October, 2013**

Here for your entertainment pleasure...

Another fun-filled action-packed edition of your favorite visual enlightenment.

## **October NSAA secretary notes:**

First of all, I would like to say, "WOW where has this year gone"! It was a GREAT year for the Nebraska State Archery association, not only in membership, but in competitive shooting! We had some of the closest State Overall races, which turned out to be EXACTLY how it should be! To win a State overall is going to require the archers to come out and shoot well at different disciplines!

It has been a year of sadness for some of our members, which touches all of us who care about them. We are like a HUGE family even though we compete! It's great to know we have that kind of friendship in our organization.

Kent and I want to thank all of you for your prayers while our son-in-law Jared recovers from his fall and broken neck. It happened August 24<sup>th</sup> right before the 900 round. He was initially paralyzed, but with miracles and great surgeons he has regained all movement, even though he has nerve damage and could be facing more neck surgery. I told our daughter that God only gives us what we can handle...he sure served up a big dose this time. We have been informed that his friends are holding a benefit to help with medical expenses and house bills as he is unable to work and has a family of 5 we are trying to keep going! It will be October 27<sup>th</sup> at the Bellevue Berry Farm, 4-8pm I am told, but should have more details soon. If you can make it... great, donate anything for their family, or just pray for a successful event, we would appreciate it.

Our next get-together for the State Association will be the Presidents/Secretary meeting and 300 shoot. This is where we set next year's schedule. It is Nov 17<sup>th</sup> at Prairie Bowmen in Lincoln. As soon as I have details on where we will meet and eat, I will let you all know.

We are still working on getting email addresses for our newsletter as the expense and time involved in mailing is a big one! Please email me if you do not currently get it emailed! Darby and I would be happy to correct that. [dcolgrove@charter.net](mailto:dcolgrove@charter.net)

Our membership is about 244 at this time, with only about a fifth actively shooting! We would love to see you all out there and look forward to another great year in 2014.

Up for elections 2014: State Director (Ed Christman), Treasurer (Bill Lewis), VP field (Kevin Byington) and VP hunting (Tom Saunders position filled by Chad Morgan). Our Officer terms, are 2 year terms and does require some involvement, meetings etc. I will be sending out election stuff and ballots before the end of the year, so if you have anything you would like to see changed, added or addressed, you need to get it submitted before Nov 17<sup>th</sup> so we can meet as a board and get it on ballot if needed.

Please see the results for State Overall and congrats to all the winners. I will have awards at the State Indoor shoot. If your name is on the list as a finisher you are also eligible to have half your membership paid for 2014. So please send your renewal to me, only half of it and I will add the other half and send to NFAA. If you already have renewed for 2014, this year I will refund your half with the awards.

Deb

**For those looking to attend the NFAA Indoor Nationals  
in Louisville, Kentucky - March 14<sup>th</sup> thru 16<sup>th</sup>,**

Check out this car pool scene:

**Indoor Nationals bus trip website:**

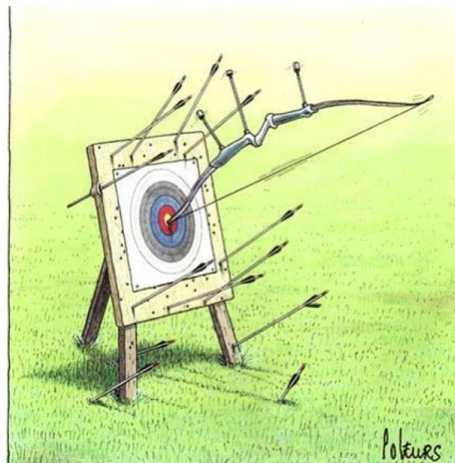

<https://sites.google.com/site/nfaaindoornationalsbustrip/>

Details of how to reserve seats for the trip are listed on the website and there is a link to the payment page where people can pay with credit card, PayPal, or get the mailing address for sending a personal check.

**“Special thanks to Denise Morozov  
for her hard work putting this together”**

**Note from Denise:** I have a favor to ask...if you know you are going to ride the bus to Louisville, please go through to the PayItSquare payment page and register - even if you're not going to pay until later. If you go through the checkout process there is a "Register & Pay Later" option that you can use. You will just be listed as "unpaid" until you decide to send in payment. (If you change your mind before **Nov. 30** just let me know and I'll remove your name.) This will help me get a handle on how many people are planning on using this opportunity and help with the planning process.

**Note from Editor: My last end on the last day of the NFAA Indoor Nationals (last year)  
looked just like this!**
